

## Samuel Lightfoot

(979) 676-4579  
sam\_lightfoot@tamu.edu

5708 Paint Trl  
College Station, Texas 77840

**OBJECTIVE** Seeking an internship in Computer Science for summer 2025

**EDUCATION** **Texas A&M University (TAMU)**, College Station, Texas  
*Bachelor of Arts in Computer Science*, December 2025  
Major GPR: 3.49,

**RELEVANT COURSEWORK** Program Design and Concepts   Data Structures   Discrete Structures  
Computer Organization   Programming Languages   Software Engineering

**PLATFORMS** Windows   Linux   Unix  
**LANGUAGES** C   C++   Java   Java FXML   Scheme   Python   HTML   CSS   JavaScript

**RELEVANT EXPERIENCE** **Computer Science**, Texas A&M University  
*Teaching Assistant – Structured Programming in C*   August 2023 – Present

- Facilitated engaging lectures and guided a class of 68 students through complex programming concepts in C, fostering a conducive learning environment.
- Developed a comprehensive course calendar, meticulously organizing the curriculum, assignments, and project deadlines, ensuring clarity and structure for students
- Facilitated interactive lab sessions and office hours twice a week, providing hands-on experience and real-world application of programming principles.
- Assessed and provided constructive feedback on weekly assignments and projects, maintaining high standards of grading accuracy and consistency.

**Transportation**, Texas A&M University  
*Student Technician - IT*   October 2022 – August 2023

- Responsible for administering passwords for administrative accounts, maintaining the security and integrity of sensitive information.
- Successfully provided technical support to computer systems on buses, improving their efficiency and reliability, contributing to a smoother transportation operation.
- Demonstrated adaptability and quick problem-solving skills in a fast-paced environment, effectively addressing IT-related challenges as they arose.

### Private Tutor

January 2024 – Present

- Privately tutored a high school student twice a week for a programming course in Java.

**LEADERSHIP** **Fish Camp, Texas A&M University**

*Counselor*   April 2023 – August 2023

- Demonstrated leadership by coordinating and executing various camp sessions, ensuring a memorable and transformative experience for over 6000 participants.
- Collaborated with a diverse team of counselors to develop and deliver engaging workshops, empowering students with valuable life skills, leadership abilities, and a deep understanding of TAMU traditions.
- Contributed to the overall success and positive reputation of Fish Camp, a key orientation program at TAMU, known for its impact on student retention and engagement

**CREDENTIALS** **CompTIA A+**, Security+, Network+

**SKILLS** Microsoft Word, Access, Excel, Webpage Design, Computer Arch and Assembler Language
